Education

2019 - 2022  **Bachelor of Science** in Computer Science and Engineering
Daffodil International University. **CGPA:** 3.93/4.00
Thesis title: *BENGALI CAPTION GENERATION for IMAGES USING DEEP LEARNING*
Relevant Coursework: Statistics, System Analysis and Design,
Artificial Intelligence, Mathematics.

Experiences

- 01/2024 - Current  **Faculty Member (Machine Learning)**, Creative IT Institute.
- Deliver ML course content with practical assignments and industry insights.
 - Mentoring students, providing feedback, evaluations, and assessments.
 - Present research at events as a keynote speaker
 - Collaborate in meetings and share knowledge
 - Stay updated on ML advancements to continuously enhance course materials.
- 01/2023 - 12/2023  **Graduate Teaching Assistant**, Daffodil International University.
- Support assigned faculty with lecture content preparation.
 - Organize and maintain resources for classes and exams.
 - Conduct classes under faculty supervision, guiding students academically.
 - Provide project support to students during supervised sessions.
 - Engage in research activities to enhance academic projects.
 - Attend faculty meetings, contribute to events, and assist with administrative tasks.
- Assist Subjects, as Graduate Teaching Assistant**
- System Analysis and Design.
 - Object Oriented Programming (java, python)
 - Research & Innovation.
- 10/2022 - 12/2022  **Lab Associate**, Daffodil International University.
- Collaborate with teachers to support lab sessions.
 - Guide students during lab assignments.
 - Assist in developing course materials and ensure smooth delivery of lab sessions.
 - Participate in evaluations and faculty meetings.

Honors and Awards

-  2019-2022 **Merit-based Scholarship on tuition fee**, Daffodil International University.

Projects

- Extremist Comments Detection in Bangla [Research Project]
- Face Recognition & Image Caption Generation for low resource language Bangla.
- Quora Question Pair, Heart Disease, Cancer Prediction and so on with Web Interface and Smart AI Tutor, Bilingual Voice to Text and Text to Voice system, Solar power Generation Time Series Analysis.

Skills

Language	■ Python, R, LaTeX
Database	■ MySQL, Postgres SQL.
Library and Frameworks	■ NumPy, Pandas, Scikit-Learn, Matplotlib, TensorFlow, Pytorch, Keras, Flask, OpenCV, Seaborn, Selenium, GenAI, LLMs, HuggingFace.
Others	■ Microsoft Office, Jupyter Notebook, Kaggle, Postman, Hackerrank.
Personal Skills:	■ Strong Research Skills, Analytical Thinking, Problem-Solving Skills, Collaboration and Communication, Continuous Learner.
Languages	■ Bengali (Native proficiency), English

Certification

2023	■ Mentorship & Leadership Development Training Program (Daffodil International University).
2023	■ Corporate Etiquette and Professionalism at Workplace (Creative IT Institute).
2023	■ Teaching Apprentice Fellowship Program (Daffodil International University).
2022	■ Python Basics for Data Science (edX), Professional English Communication Skill (WSDA, SEIP), Data Science & Machine Learning with Python (aiQuest Intelligence).

Grants

- 2023 Research Grant, Division of Research, DIU, Bangladesh.
